PORTA/FAST[®]

COMPLETE PORTABLE/PERMANENT RESTROOM

The Porta/FAST[®] self-contained restroom comes complete with a fully certified, onsite sewage treatment plant. We can custom build any size unit for any use. Our systems can be engineered to accommodate any size work force in any weather.

POSSIBLE USES:

- Oil Platforms
- Dock Barges
- Oil Rigs
- Construction Sites
- Pipelines
- Parks and Recreation

OPTIONS INCLUDE:

- Heat and A/C
- Men's and Women's Toilets
- Sink
- Lights
- Hot Water
- Showers
- Windows

The Porta/FAST[®] "self-contained" units are ready to go with only a hook up to a water source is necessary. The units are 8' [2.4 m] wide and the standard-length sizes are: 10' [3.0 m], 16' [4.9 m], 20' [6.1 m], and 40' [12.2 m] long, depending on your space availability.

Marine FAST[®]
SEWAGE TREATMENT SYSTEMS

MarineFAST[®]

SEWAGE TREATMENT SYSTEMS

Fully-certified MarineFAST[®] MSD systems handle any combination of fresh/saltwater sewage:

- Self-Regulating Operation
- Superior Corrosion Protection
- Worldwide Technical support
- Easy-to-Update or Retrofit
- Long Reliable Service Life
- Certified, Proven Process

FINDING THE RIGHT SIZE

It is recommended to check what local regulations are required in case additional information is needed.

SIDE VIEW

With over 65 years of history unlike any other, the origins of SCIENTO® & FAST® can be traced back to the 1940's in St. Louis, MO for water and salt management systems. In 1981, Scienco/FAST combined to produce internationally recognizable top-quality water, wastewater,

and maintenance products focused on marine, commercial food and beverage, and agricultural market treatments with top-notch field services. SCIENTO®'s current commercial product lines combine proven performance with long-term reliability and many low-cost options.
